

HOW CAN YOU FIND OUT MORE?

You can take a look at our website; it should have everything you need to know - www.sunriseandsunset.org

We run regular Open Days, when you & your child/ren can pop in to see what we are like.*

We also run FREE Taster Days, when your child/ren can come & experience all that the Sunrise & Sunset Clubs have to offer. *

We also run special Golden Activity Days. Each day has a different theme e.g. Talent Shows, Nintendo Fest, Bake-off Competitions & Cinema Nights. These fun days allow your child the chance to try the Sunset Club on a fun, special day & the chance to play with friends who already attend the Club and hopefully make new friends.**

And lastly feel free to phone us any time for an informal, non committing chat.

WHO ARE WE?

Since our launch in September 2006, Sunrise & Sunset Clubs have taken huge pride in offering both a reliable & flexible outstanding Child Care Service. The Clubs have been carefully designed to suit busy parents.

The Clubs provide children between the ages of 3 to 11 years with safe, happy & stimulating care, before & after School. We operate both the Sunrise & Sunset Clubs in the spacious George V Pavilion & its playground / playing fields (just off George V Way) which is only a 5/10 minute walk from the Green in Sarratt.

The Clubs have a relaxed, fun & stimulating environment with a huge, wide variety of excellent, up to date, well maintained, play equipment for both indoor & outdoor play.

We have a consistent & reliable team. Most of our Playleaders have been with us since our launch. The children are therefore able to get to know the team & thereby the children feel safe & comfortable with us. All of our dedicated team genuinely enjoy interacting with the children & providing the right space for the children to entertain themselves.

HOW CAN WE HELP YOU?

- Due to the outstanding Award Winning Child Care we provide, we have been recently requested to open our doors to children from outside of Sarratt School which we all very much welcome & look forward to.
- You choose the time you require care. When you don't need us, you don't pay us**. We can care for your children for as little or as long time, as required.
- We cover ad-hoc bookings e.g. changing shift work.
- We provide childcare for just individual days e.g. to cover appointments/ deliveries/ Christmas shopping etc.
- We endeavour to cover any last minute child care emergencies ***

** Please note we have a cancellation policy

*** Ideally we need to have a completed & signed registration form before we take care of any child. We can always hold one on file for you just in case you need last minute childcare (without any commitment to use our services). Call it a free insurance policy.
