

# ARNETT HILLS JMI SCHOOL

## Friday November 30th 2018

### YEAR 4 DANCE FESTIVAL

Let the Sun Shine—Miss Mallouppa and Miss Seymour came into school on Wednesday morning bouncing with praise and enthusiastic feedback about the Y4 class who had taken part in the Dance Festival the previous evening. They said how well the children had performed from their toes to their fingertips! They were both very proud of the class. Well done children, we hope you enjoyed it as much as the audience.

Comments from the children:

" At first I was scared and embarrassed but then I just got on with it."

"We gave 100%"

"It was fun"

### SPORTS

Netball vs St Johns—despite the adverse weather conditions, the team took to the court and played some really flowing netball from defence through to attack. I am particularly pleased at the way individual players take on board and follow advice (some might call it nagging!!!). They really do try to improve on their skills and it shows. Well done to the team on their 7-1 win.

### Netball vs Shepherd

The squad built on their win from the previous day with a 13-1 win against Shepherd. Substitutes came on and played their parts well—it really was a squad effort. Many thanks to Miss Norton Child and Mrs Critcher for staying at school to ensure the netball and football club carried on for the other children.

### Football vs Shepherd

This was a closely fought match in which the team went ahead. However, the opposing goalkeeper made some excellent saves and in the end the score was 3-2 to Shepherd. There were some very good passages of play from our team and they should be pleased with the quality of their performance. Thank you to their coach Marc and Mr Bridge for organising and encouraging the team.

### Y5 FUN RUN

WOW! What a successful afternoon. The entire class took part in this 1500m fun run. There was an additional race for the fastest 5 girls and boys from each of the 6 competing schools. The girls' team came second overall and the boys' team came first. Arnett Hills had 5 children in the top 10 finishers: April, Evie, Ben, Frankie, Will. They will compete in the County Finals in the spring term. Many thanks to Mr Sills, Mrs Mehdwan and the parent volunteers for accompanying the children and cheering them on in damp weather

Coming soon...

OCCASIONAL DAY—SCHOOL CLOSED ON MONDAY DECEMBER 3rd

NON UNIFORM DAY—FRIDAY DECEMBER 7th—in exchange for a bottle

Y6 CORNET ASSEMBLY TO THE SCHOOL —Tuesday December 18th at 10:30am. Y6 parents are welcome.

### COMMUNITY IN BLOOM

Please remember to plant the crocus bulbs which came home with your child. Every child in the 16 schools that make up the Rickmansworth Primary Schools' Consortium has been given bulbs to plant now so that they are a talking point in the spring and the local community will be enhanced by their colour.

### Lights Camel Action!

Rehearsals are in full swing for the infant Christmas play and they sound great! Please make sure you return your request slip for tickets and note that the Tuesday afternoon and Wednesday evening performances are for adults and children in Year 7 or above. Babies are not allowed. Younger (pre school) siblings may attend the dress rehearsal on the Monday afternoon when tickets are not required.

Thank you for the donations that have started to come in for the chocolate tombola and the class hampers. Each class has been given a colour for their hamper.

### HOUSE POINTS CUP

(30/11/18)

1st—Greenfinches

111

2nd—Robins 99

3rd—Kingfishers 90

4th -Canaries 60
