

# ARNETT HILLS JMI SCHOOL

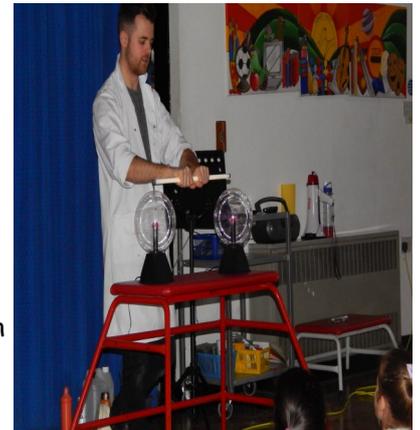

## Friday March 15th 2019

### SCIENCE WEEK

Many thanks to Miss Bowler (Science Subject Leader) for organising activities to celebrate National Science Week. The children enjoyed an assembly given by Mr Bubble Works before having class workshops with him. Squeals of delight could be heard throughout the school.

It was great to see so many parents taking part with their children in the science activities on Tuesday and Wednesday afternoon—tin foil animals, floating and sinking respectively. I am sure those of you who come this afternoon will enjoy the bottle challenge.

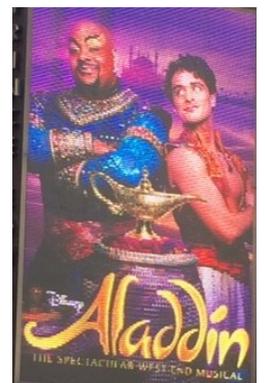

### COMIC RELIEF

The school was a sea of red today as children and staff dressed in red and donned red noses in aid of this charity. True to form, the wonderful Mrs James made the staff a cake and yes, you've guessed, it was a red velvet cake! Donations amounted to £239.45. Thank you all so much.

### Y6 THEATRE TRIP

Many thanks to Mrs O'Neill for organising this visit for Y6 and their family member to see Aladdin at the Prince Edward Theatre in London. The show was all singing and all dancing! It was full of humour and had an amazing set. It was clear how much the children enjoyed the experience.

## BUGSY MALONE

Thursday May 30th to Saturday June 1st at  
Watford palace Theatre  
Box Office 01923 225671

## TAEKWONDO at Arnett Hills

Taster sessions are available for the remainder of this month (classes run on Saturdays from 10:30-11:30am for Year 2 and above). If you are interested in your child attending,

please contact

[jake.bender@taekwondo-london.co.uk](mailto:jake.bender@taekwondo-london.co.uk) for further information.

## Y5 & Y6 PHOTO EXHIBITION

Last Friday Y5 and Y6 invited family members to come and view their exhibition of photographic portraits as part of their "Good To Be Me" project. This included a day of learning how to set up a photographic portrait by altering light strength, exposure and angles. It also involved reflecting on self image (internal and external). The children were led and instructed by photographer Mary Shaughnessy. They explained what they had done and Mary gave an overview of the project. The children sang "This Is Me" before parents viewed their portraits (in matt black and white photos) which were accompanied by writing on the subject by each child—descriptive and in the form of poems. The whole experience was very poignant. We look forward to future photography projects.

Recycling—It was exciting to see our new food bins left out for collection this week. The children (and staff) are all getting the hang of separating their waste at break times and lunchtimes and we hope to seriously reduce the amount of general waste we produce. The wind has certainly whipped up the amount of rubbish on site this week, so the Green Team have been busy with their litter picking. Next Thursday all of the children will be taking part in recycling workshops, where they will be producing a small part towards a larger piece of art work. This will be on display in the summer as part of a project that the Youth Council are completing. More information about that nearer the time. However, we do need contributions of up to 200 toilet rolls, cereal boxes, packaging foam / styro-foam and tooth picks!! If you have any of these items, please drop them off between Monday and Thursday am in the school reception in the labelled boxes. Thankyou
