

# Air Raids — Question Set 2

1 Write a short summary for the paragraphs shown in the table below. The first one is done for you.

2C

Paragraph	Summary
'Britain was bombed...'	It tell us which countries bombed which other countries in World War II.
'There were fears that...'	..... .....
'German children experienced...'	..... .....

2 Read the information below. Add a suitable subheading to these paragraphs.

2C

.....  
 Anderson Shelters were made from corrugated sheets of iron and half buried in the ground with earth piled on top of them. Thousands were issued by the government. Inside they were dark, damp and uncomfortable to sleep in. For those who did not have gardens, Morrison Shelters were designed. They stayed in people's homes, could be used as tables and were made of steel.

Giving a subheading is like summarising the text in a few words. The subheading you choose needs to be appropriate for both paragraphs.

3 Find two phrases in the text which reflect the destruction caused by the air raids.

2G

1. ....
2. ....

2F

4 Who do you think this report is aimed at and why?

.....  
 .....  
 .....

Think about what sort of people the report talks about most and also what sort of ideas the author explains. This might help you think about what sort of reader they have in mind.

5 Use evidence from the text to explain why you think Germany had the most casualties from air raids in World War II.

2H

.....  
 .....  
 .....

## Challenge

German and British children must have been quite excited about camping out in the air raid shelters.

Do you agree or disagree? Explain why you think this using evidence from the text to support your answer.
