

Working in the Warehouse — Question Set 2

1 Which phrase in the paragraph beginning *The blacking-warehouse* shows that Charles Dickens is recalling memories from his childhood? 2G

.....
.....

2 Use the text to work out which of the following statements are true. 2D

	True	False
There were only a few rats that lived in the warehouse.	<input type="checkbox"/>	<input type="checkbox"/>
Before applying labels, Charles Dickens had to cover a large number of pots with paper first.	<input type="checkbox"/>	<input type="checkbox"/>
Charles Dickens tried to ration out his wages.	<input type="checkbox"/>	<input type="checkbox"/>
Charles Dickens became a robber.	<input type="checkbox"/>	<input type="checkbox"/>

3 Why do you think Bob Fagin was a name which Charles Dickens remembered such a long time after working in the warehouse? 2D

.....
.....

4 Which one of the following statements best summarises the paragraph beginning *No words can express...?* 2D

- Tick one box**
- It is about the boredom Charles Dickens felt working at the warehouse.
 - It is explaining the order of stages Charles Dickens had to follow to prepare the pots of polish.
 - It describes how he felt about his childhood and life.
 - It describes how he felt about working at the warehouse.

Summarising means looking at the whole section and putting it into just a few words.

5 a) How do you think Charles Dickens felt about working in the warehouse? 2D

.....
.....

Look forwards to part b) of the question. You're going to have to give three pieces of evidence from the text. It makes sense to think of an answer to part a) that there's plenty of evidence for.

b) Find three words or phrases in the text that support your answer for part a). 2F

1. 
2. 
3. 

Challenge

I wonder if working in the warehouse was fun? He must have been paid well if he worked all day — it can't have been that bad!

Explain to the bird why he's wrong.
Use evidence from the text to support your answer.

Why the bird is wrong	Evidence
