

Arnett Hills JMI School

Where every child is a success story: safe, happy and learning

17th July 2020

To All Parents@Arnett Hills

Dear parents

The covid-19 pandemic has been a new lifetime experience for each of us. It has forced us to pause and reevaluate what we value most. With no previous experience of anything like this before, I hope you will agree that we were able to do the very best that we could under the circumstances to minimise its impact. What was foremost in our mind was the continued learning experience, safety and wellbeing of our pupils.

Your understanding and cooperation have been remarkable and the school would have found it very difficult to achieve any of this without your support. For this, my fellow governors and I are immensely grateful.

After all this, when we do return to “normality” whatever that may look like in the new context, I sincerely hope that I can count on your support and cooperation as we go into the new academic year.

Finally, I would like to sincerely thank you for your loyalty to our school. I wish you and your family a wonderful and safe summer.

Best wishes, Ash

Yours sincerely

Ash Patil

Chair of Governors
